

VICTORY OF LIGHT

Happy Holidays from Victory of Light! May the New Year bring you joy and magic!

This is your registration packet for all three Victory of Light events of 2006. In addition to the two Psychic Festivals we are adding a brand new show for healers, the Victory of Light Holistic Health Expo, which will be here quite soon.

Victory of Light first started its popular psychic festivals in 1992 and today is known nationally for consistently producing excellent shows.

"One of the best expo's I've ever been to and I've been to the biggest in Europe & America. You manage to make this both a spiritual and financial success – it's evident in every aspect of the planning..." (Author Rose Rosetree, April 2005).

"...I credit the supercharged atmosphere of Victory of Light for facilitating an epiphany last fall that caused a complete redirection of my life. It has resulted in enormous spiritual changes and such radiating joy!" (M.D., August 2005).

I am very excited about the new Holistic Health Expo and hope to make it the most comprehensive healing expo this area has seen. Over the last few years this field has flourished, popularized by such authors as Andrew Weil. Cincinnatians are ready to explore the broad range of holistic healing resources available regionally, from schools to practitioners. This expo will provide you – the healing related exhibitor - with an attractive venue for educating the public about your healing modalities and services. This expo is less than two months away and the booths are selling quickly. If you are interested, please sign up right away!

For all shows, exhibitors requiring multiple booths may be entitled to a discount. Please contact me to discuss your specific situation. If you register and prepay for two or three events at the same time, you will receive a 5% discount off your grand total.

Our shows are selling out much sooner than ever before, so be sure to fill out and return your forms by mail or fax promptly. You can even call and register over the telephone with a credit card. Please call if you have questions. We look forward to seeing you!

Sincerely,
Victor Paruta
Victory of Light

Reminder: Psychic festival dates are now relatively consistent from year to year: the weekend before Thanksgiving and the first, second or third weekend in April (never Easter weekend), so please mark your calendars and plan ahead. The Holistic Healing Expo will take place annually in February.
