Victory of Light Psychic Festival Announces Speakers & Lineup for Spring Event in Cincinnati, Ohio
Sharonville Convention Center

As the Midwest's most extensive and affordable venue for exploring alternative spirituality in its many forms, The Victory of Light Expo is set to take place on April 6 and 7, 2019, from 10 a.m. to 7 p.m. Much more than a "psychic fair," educational seminars, holistic healing sessions, live music, art exhibits, book signings and shopping make this a diverse, fun, family-friendly event.

Cincinnati, OH - The Victory of Light Psychic Festival, one of the nation's largest metaphysical conventions, has announced its lineup of more than 300 psychics, healers and exhibitors returning to the Sharonville Convention Center on April 6 and 7, 2019 from 10 a.m. to 7 p.m.

The two-day event also includes 92 seminars on a wide range of metaphysical topics—such as astrology, past lives, angels, psychic development, holistic healing, stress reduction techniques, aromatherapy—and much more.

The April 6 & 7 Victory of Light Expo features some of the country's best psychics, available for personal readings; healers using techniques such as Thai massage, foot reflexology and Reiki healing; and vendors creating a unique shopping experience with crystals, jewelry, art, pottery, essential oils, books, wellness products, herbs and exotic, imported clothing. Aura photography and face painting will be available.

“Victory of Light brings a cornucopia of spiritual, paranormal and holistic information, resources and experiences to the people of Cincinnati. Even if you have a casual interest in psychic topics, you will love this show,” said Victor Paruta of Clifton, psychic and Victory of Light founder.

Expo tickets, \$15 daily/\$25 for both days, are available at the door, and include admission to all of the seminars except three, two-hour workshops (\$20). Parking is free; overflow parking is available at the Sharonville Convention Center’s parking lot across the street and at Princeton High School, one block away. The Sharonville Convention Center is located at 11355 Chester Road, Cincinnati, OH 45246.

As a family-friendly festival, the expo has healthy food and beverages available for purchase. Over 150 door prizes will be given away throughout the weekend for psychic readings, healings and merchandise.

“The expo also offers many experiential seminars such as guided meditations and past life regressions for those looking for a deeper spiritual experience,” said Paruta.

Seminar Highlights

Headlining the expo’s Native American Spirituality seminars is author Eagle Skyfire, who debuts her book, *Journeying Between the Worlds: Walking with the Sacred Spirits through Native American Teachings and Practices*, at Victory of Light. During her seminar of the same title, Skyfire will present Native American shamanic teachings in a way that is easily understood. She also presents, “Creating a Personal Sacred Sanctuary,” and will be available for personal readings throughout the weekend.

“Mayan Meditations for Connecting with Cosmic Energy” will be presented by Patricia Morris Cardona, a board-certified advanced nurse practitioner, and Daniel J. Cardona, M.D., a board-certified psychiatrist, who apprenticed with and were initiated by Mayan and Peruvian Elders.

Headlining the Paranormal seminars is Rosemary Ellen Guiley, one of the world’s most prolific paranormal researchers and best-selling author of more than 65 books, including *Slips in Time and Space* and *Dreamwork for Visionary Living*. Guiley lectures internationally and makes regular media appearances, including “Paranormal Caught on Camera” on the Travel Channel. She presents, “Using Dreams to Enhance Well-Being, Creativity & Psychic Skills,” and “Time Slips: People Lost In Time,” which explores mysterious disappearances as possible displacements to other eras and even parallel realities.

Other Paranormal seminars include: “When Kids See Dead People” by author Thomas Freese, which explores children’s experiences of invisible friends, past lives, ghosts, orbs and more; “Ask A Paranormal Investigator,” by Spiritual Realm Paranormal Investigators which includes audio and video analysis of paranormal evidence; and “Mediumship in Paranormal Investigations” by psychic medium Scotty Rorek who has been featured in documentaries on SyFy, Chiller and NBC.

Communication with Extraterrestrial Intelligence (CETI) will also be represented at Victory of Light by Jeff Becker, ET contactee and author of *Paths to Contact: True Stories from the Contact Underground* in his presentation, “Lessons from Star People.”

Free Demonstrations of Psychic Abilities

“The most popular presentations are the free demonstrations of psychic abilities,” said Paruta. “In the spirit portraits session, psychic medium Chad Seibert connects audience members with their loved ones while artist Janette Kaye draws the loved one’s portrait for the audience member to take home with them. These experiences can be quite powerful,” he continued.

Paruta’s “Ask A Psychic” session, during which he provides rapid fire mini-readings to a standing room only audience, follows at 2 p.m., Sunday.

Psychic Development Seminars

Headlining the psychic development seminars is Lisa K, Ph.D., author of, *The 10 Key Secrets to Intuition*. Lisa makes intuition easy with clear and understandable step-by-step instructions. Other psychic development seminars include Dream Interpretation, Pendulum Dowsing, Tarot, Palmistry and Numerology.

This festival also features four Astrology Seminars, including astrological forecasts for every sign, a record seven Past Lives seminars, including three past life regressions during which attendees can remember a past lifetime, and 22 seminars on healing and wellness.

“Many of our presenters provide simple techniques for busy people which can make life less stressful and more meaningful, including one and two minute meditations which can help people stay grounded and centered,” said Paruta. “Our goal is to make spirituality fun, practical and easy.”

Musical Performances

Live musical performances include award winning Cincinnati musician and radio personality Ron Esposito’s “Crystal & Tibetan Bowls Meditation Concert,” which provides a stress-erasing sound bath for attendees. Original keyboard compositions will be performed live all weekend by Lighthawk Mark Kenworthy in the main entrance lobby.
