Cincinnati's Victory of Light Psychic Festival Announces Speakers & Lineup for Record-Setting Event

*Sharonville Convention Center
Cincinnati, OH*

As the Midwest's most extensive and affordable venue for exploring alternative spirituality in its many forms, The Victory of Light Expo is set to take place on November 17 and 18, 2018, from 10 a.m. to 7 p.m. Much more than a "psychic fair," educational seminars, holistic healing sessions, live music, art exhibits, book signings and shopping make this a diverse, fun, family-friendly event.

Cincinnati, OH - The Victory of Light Psychic Festival, one of the nation's largest metaphysical conventions for the general public, has announced its lineup of more than 300 psychics, healers and exhibitors returning to the Sharonville Convention Center on November 17 and 18, from 10 a.m. to 7 p.m.

The two-day event also includes a record-setting 97 seminars on a wide range of metaphysical topics—such as astrology, past life regressions, angels, spirit guides, holistic healing, stress reduction techniques, aromatherapy—and much more.

“Open to everyone, the expo is an exciting mix of entertainment and inspiration. Victory of Light is a great place to recharge in a fun-filled atmosphere with live music, aura photography, art exhibits and lots of great shopping,” said Victor Paruta of Clifton, psychic and Victory of Light founder.

“The 6,000 people who attend Victory of Light love the psychic readings and the seminars, which offer a one-of-a-kind, transformational learning experience.”

Featured Presenters & Special Guests

The lineup features nearly 100 internationally acclaimed psychic, holistic and paranormal experts from across the nation. Special guest presenters appearing for the first time include:

- Julie Rieger, award-winning president, chief data strategist, and head of media at 20th Century Fox, responsible for marketing films such as *Avatar* and *Deadpool*. Rieger experienced a series of shocking encounters with the spirit world after the death of her mother, which she chronicles in her new memoir, *The Ghost Photographer*. She presents “The Wild Side of the Other Side,” at 1 p.m. Saturday.

- David Young, twice Grammy nominated musician and author, known for playing two renaissance flutes at one time in harmony, presents “The True Story of Jesus & His Wife Mary Magdalena - Their Life, Their Love & Their Family,” at 2 p.m. Saturday. (2 hours, \$20.) David’s lecture will include musical performances inspired by Mary.
- Craig Holliday, meditation and spiritual teacher and licensed professional counselor, will present “Fully Human, Fully Divine,” also the title of his new book, at noon both Saturday and Sunday. His lecture will guide attendees to the discovery of their innate Divinity, and show how suffering is a doorway to freedom and empowerment.
- Tom Polson, representing the international organization The Hearing Voices Network (HVN), will explore the causes of unusual psychic experiences in his presentation “Hearing Voices & Other Extreme Psychic Phenomena,” at 3 p.m. Saturday.

Returning featured presenters and special guests include:

- Dr. Mark Pitstick, authority on death and dying, who will introduce the SoulPhone, a revolutionary spirit-communication technology developed at the University of Arizona. (11 a.m. Saturday.) He will also lead participants to their own answers about ten areas of their lives using guided hypnosis at noon on Saturday. (2 Hours, \$20.)
- Chief Golden Light Eagle, a Sundance and Hereditary Chief of the Yankton Sioux Nation of South Dakota, will present spiritual knowledge gained through a lifetime of prayer and ceremony at noon, Saturday and Sunday.
- Rosemary Ellen Guiley, prolific author of 65 books on the paranormal, will present “Effective Psychic Protection,” (2 p.m. Saturday) and “Interdimensional Paraphysical Sasquatch,” presenting evidence that Sasquatch is an interdimensional being rather than a “lost” Earth species (1 p.m. Sunday).

In past expos, the most popular presentations have been the free demonstrations of psychic abilities presented by astrologers, psychic mediums and clairvoyants hourly throughout the weekend, including Paruta’s popular “Ask a Psychic” session at 2 p.m. Sunday.

Nine seminars guide attendees to develop their own psychic abilities using techniques such as dream analysis, dowsing and tarot; 17 seminars provide insights into spiritual topics such as life purpose and dealing with negative energy; 24 seminars focus on holistic healing including free Reiki (energy healing) sessions.

Award winning Cincinnati musician and radio personality Ron Esposito will present his "Crystal Bowl Meditation Concert" Sunday at 1 p.m., and award winning Native American flutist Douglas Blue Feather will teach attendees "How to Play the Native American Flute" (flutes provided) at 5 p.m. Saturday. Lighthawk Mark Kenworthy will perform original keyboard compositions throughout the weekend.

The November 17 and 18 expo features some of the country's best psychics, available for personal readings; healers using techniques such as Thai massage and foot reflexology; and vendors creating a unique shopping experience with crystals, jewelry, art, pottery, essential oils, books, wellness products, herbs and exotic imported clothing. Aura photography and face painting will be available.

Expo tickets, \$15 daily/\$25 for both days, are available at the door, and include admission to all of the seminars except four two-hour workshops (\$20). Parking is free; overflow parking is available at the Sharonville Convention Center's overflow parking lot across the street and at Princeton High School. The Sharonville Convention Center is located at 11355 Chester Road, Cincinnati, OH 45246.

As a family-friendly festival, the expo has healthy food and beverages available for purchase. Over 150 door prizes will be given away throughout the weekend for psychic readings, healings and merchandise.
