

VICTORY OF LIGHT

Hello!

Victory of Light first started its popular expo's in 1992 and today is known nationally for consistently producing excellent shows.

I wanted to take this chance, before the glow is gone, to tell you how much I appreciated you including us in this event [the Victory of Light Holistic Healing Expo]. It was a fantastic program. Very smooth, from beginning to end. The eye to detail was amazing, from the nice young man meeting us at the dock to show us to the elevator and make sure we get to our right spot, to nice facilities, great staff. Customers had great feedback about how much they enjoyed the event. It was busy yet calm and peaceful. Not the frenetic energy that can be seen in other shows. Very refreshing...and deeply appreciated.

Our first Holistic Healing Expo (February, 2006) featuring Dr. Norm Shealy was a high energy success and we are excited about bringing back this special show, which provides an attractive venue for Holistic Practitioners who wish to educate the public about their healing modalities and services through displays, demonstrations and seminars.

The next Holistic Health Expo will take place Summer Solstice weekend, June 21 & 22, 2008 (rescheduled from October 6 & 7, 2007 due to a conflict with a concurrent event at the convention center). Your registration packet is enclosed. It includes an application for the expo and an advertising agreement for placing ads in our expo program.

Exhibitors requiring multiple booths may be entitled to a discount. Please contact me to discuss your specific situation.

Our shows are selling out much sooner than ever before, so be sure to fill out and return your forms by mail or fax promptly. You can even call and register over the telephone with a credit card. Please call if you have questions. We look forward to seeing you!

Sincerely,

Victor Paruta
