Victory of Light Psychic Festival's 25 Year Anniversary Celebration Continues November 18 & 19

*Sharonville Convention Center
Cincinnati, OH*

The Victory of Light Expo is one of the Midwest's most extensive and affordable venues for exploring alternative spirituality in its many forms. Much more than a "psychic fair," educational seminars, holistic healing sessions, live music performances, art exhibits, book signings and shopping make this a diverse, fun, family-friendly event.

Cincinnati, OH - The Victory of Light Psychic Festival, one of the country's largest metaphysical conventions for the general public, continues its 25 year anniversary celebration the weekend of November 18 & 19, from 10:00 a.m. - 7:00 p.m. at the Sharonville Convention Center, 11355 Chester Road, Cincinnati, OH 45246. Three hundred psychics, healers and exhibitors will fill the convention center along with experts from around the country who will lead over 90 seminars on topics such as astrology, past lives, angels and spirit guides. Expo tickets, \$15 daily/\$25 for both days, are available at the door, and include admission to all of the seminars except five two-hour seminars (\$10-20). Parking is free; overflow parking is available across the street and at Princeton High School, just a block away. Visit Victory of Light (VOL) on [Facebook](#), online at www.VictoryofLight.com or call 513-929-0406 for more information.

Victory of Light began in 1992 as a small psychic fair in a hotel ballroom and grew to become greater Cincinnati's 13th largest convention based on annual attendance, according to the Cincinnati Business Courier.

"The nearly 6,000 people who attend our expo love the psychic readings and the seminars," said Victor Paruta of Clifton, psychic and VOL founder. "The expo is an exciting mix of entertainment and inspiration, a great place to recharge in a fun-filled atmosphere with live music, aura photography, art exhibits and lots of great shopping."
