

“The Secret of Active Dreaming”

A Robert Moss Intensive

Saturday, November 17, 2007, 4-6:30pm, \$35.

At the Victory of Light Festival
Sharonville Convention Center, Cincinnati

In this fun, high-energy workshop, Robert Moss will introduce Active Dreaming, his powerful, original synthesis of modern dreamwork and ancient shamanic practices. Learn to recognize and harness the nine powers of dreaming:

1. We solve problems in our sleep
2. Dreams coach us for future challenges and opportunities
3. Dreams hold up a magic mirror to our actions and behavior
4. Dreams show us what we need to do to stay well
5. Dreams are a secret laboratory
6. Dreams are a creative studio
7. Dreams help us to mend our divided selves
8. Dreaming is a key to better relationships
9. Dreams recall us to our larger purpose

Learn how to grow better relationships and richer lives by sharing our dreams through the Lightning Dreamwork process -- a quick, fun and respectful way to share dreams, receive non-intrusive feedback and move toward creative action to honor our dreams, bringing their magic and healing into our bodies and into the world.
