

# VICTORY OF LIGHT

***Happy Holidays from Victory of Light!***

***May the Light within you shine brightly during this Holiday Season, and may this Light guide you throughout the New Year.***

This is your registration packet for our 2007 psychic festivals (April 14 & 15 and November 17 & 18) (attached). Register and prepay for both festivals and receive a 5% discount off the booth portion for each festival.

When filling out the applications, please be sure to include your web and email addresses or they will not be included as links on our website. Also, under "Your name for program", please indicate exactly how you would like your business name listed in our program and on our website. Exhibitors requiring multiple booths may be entitled to a discount. Invest in your success! See the enclosed Advertising Agreement.

Be sure to fill out and return your application(s) soon - our shows have been selling out three to four months before show date. You can register over the telephone with a credit card.

We look forward to seeing you at our 2007 Victory of Light Festivals!

Sincerely,

Victor Paruta  
Victory of Light

Please note: This packet is being sent to all exhibitors in our database – even those who have already applied for the show(s).
